

texture

Naturally occurring

human made

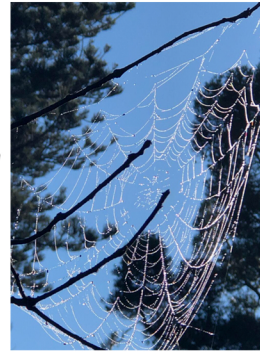

bring the way light and shadow interacts with texture.

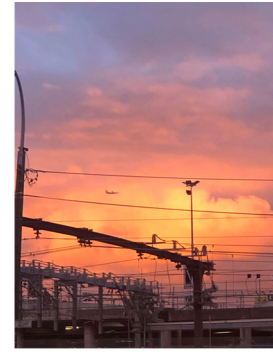

line

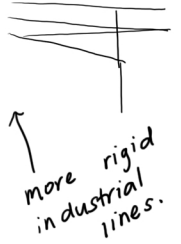

Naturally occurring

Obsessed with Spider web line work

human made

more rigid in industrial lines.

D E

pattern

Naturally occurring

more abstract and less repetitive pattern is interesting.

human made

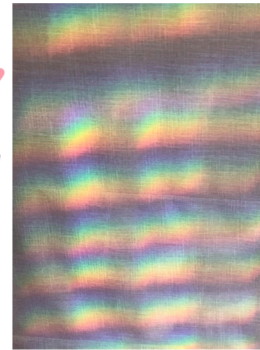

omg food themed wallpaper for kitchen walls?? so cute

colour

Naturally occurring

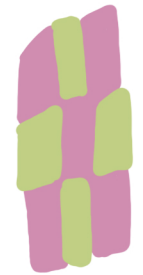

+

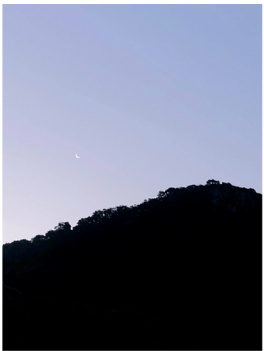

human made

great colour combo

shape

Naturally occurring

love a contrasting colour block.

human made

Strong shape / out line.

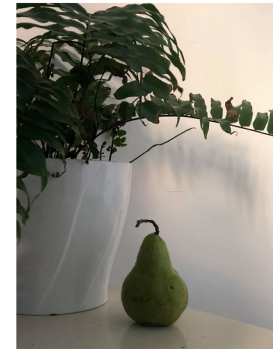

form

Naturally occurring

detail

P

human made

Still like vibes
