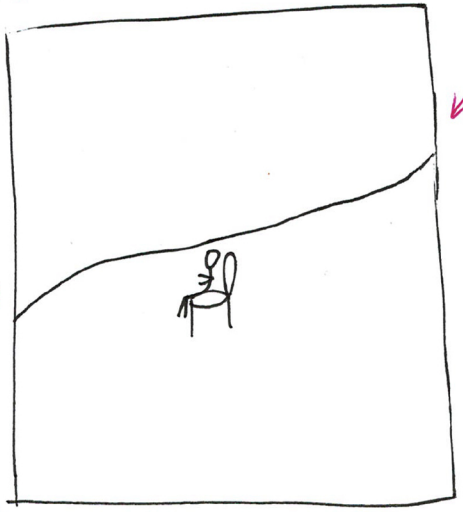
example: lesson 6

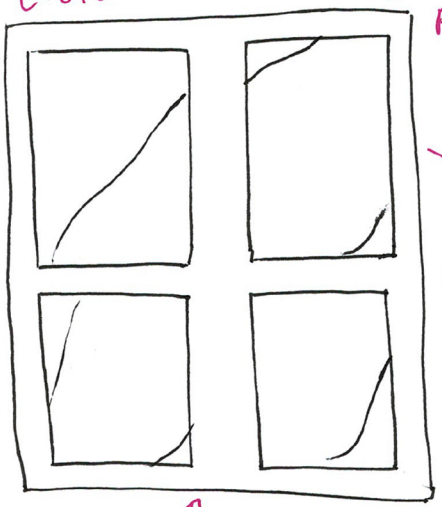
Lesson 6:

Motifs:
- flowers
- fabric
- location (google map inspired / NZ landscape w constrast of my / my culture).
- cultural artefacts (jewlry, bindi)



may need tripod + assistant.

Classic NZ landscape with subject on chair (referencing traditional/ colonial portraiture)



printed background.

'Looking through a window' onto google map view of place I'm connected to. mixing domestic w geological.

hand holding flowers, jewlry (really blingy)

*all about constrasting will need assistant for this

my blonde hair with bindis stuck on?

someone else can wear shoe.

Sari with sneakers

↓

good visual representation of two cultures.
